

Opening: (ppt)

Good morning, Ladies and Gentleman, welcome to Taipei International Conference Hall.

I am today's chairman, Cherry Chen. Is the microphone clear? (Thank you)

It's a real pleasure for me to participate in the opening of the symposium on homosexual.

As the chairman of the symposium, I am proud to have been given the responsibility on this important occasion--- the first official convocation of the international symposium on homosexual to be held in Taiwan.

Introduce Agenda:

As the agenda goes, we will have the keynote speakers' speeches, and for each section, it comes with each panel discussion and tea breaks.

First speech:

And now, it gives me great pleasure to have our keynote speakers today, and later I will introduce them to you all. Let's get straight to the very first speaker: (ppt) Professor Hsiao Ming Chin, she's a sociologist from Tamkang University Lanyang Campus. She's going to discuss the basic idea of Homosexual. Let's welcome her!

** (Addressing speech...)

First panel discussion :(ppt)

Thank you, Professor Hsiao Ming Chin, for your excellent speech to tell this splendid subject. And now it's the time for panel discussions. Professor Hsiao Ming Chin, would you please address us a question about your speech?

** (questions...) {lady, please identify yourself at the microphone, thank you.}

Thanks for xxx's great question and Professor Hsiao Ming Chin's great answers!

First tea break: (ppt)

Now we are going to take a tea break, please come back here in 10 minutes.

** (tea break...)

May I have your attention; please~ please have your seats.

Second speech:

(ppt)The next keynote speaker is Expert Stephanie Hsieh; she was graduated from Harvard University. Also, she's regard as one of the most famous marriage expert. Now she's going to address us the issue of marriage of homosexual people. Let's welcome her!

** (Addressing speech...)

Second panel discussion :(ppt)

Thank you, Expert Stephanie Hsieh; this is really an excellent speech. Certainly if the time allowed, we could spend the rest of the afternoon discuss about this topic. Thank you very much! And now it's time for the panel discussion again! Expert Stephanie Hsieh, would you please address us a question about your speech?

** (questions...) {lady, please identify yourself at the microphone, thank you.}

Thanks for xxx's great question and Expert Stephanie Hsieh's great answers!

Second tea break:

Since we're running 15 minutes behind schedule, we don't have any intermission now.

Final speech: (ppt)

Finally, here is our last keynote speaker today, Dr. Ivy Wong; she is the president of Homosexual study club in UCLA. Let's welcome her!

** (Addressing speech...)

Final panel discussion :(ppt)

Thanks for the Club President Dr. Ivy Wong's great speech! I am sure that everyone appreciates that a lot! And it's now the time for the final panel discussion. Dr. Ivy Wong, would you please address us a question about your speech?

** (questions...)

Thanks for xxx's great question and Dr. Ivy Wong's great answers!

Ending:

We have come to the end of the symposium. The members of our organization Committee are deeply grateful for the hearty cooperation of all participants. Again, thank you all for joining today's International Symposium on Homosexual in Taipei International Conference Hall! Hope you enjoy your day!

- I am afraid we'll have only a brief discussion, because time is running out. (沒時間時)
