## **What is the true story of snow white?**

Everyone knows the story of Snow white, but actually she had a poor past. Her father, the mean king of that country, forced her to substitute joining to the army as a soldier. (Let' s see what happened to our beautiful princess.)

On the other hand, because snow white is the most charming girl in the kingdom, the witch is too angry that she wants to kill her.

Unfortunately, the insect meet the sleeping snow white on the street and want to bring her back home as her meals.

However, when Sreak heard about this mission, he goes to rescue the princess immediately.
